

# Project Profile

## Project Facts:

- **AREA**  
7,000 square feet MSE  
Wire Form Wall
- **GENERAL CONTRACTOR**  
The Morris Group
- **OVERVIEW**  
This retaining wall was built to allow for the construction of a bridge going to and from the Bass Pro Shop. Wire form walls were used on this job due to poor soil conditions on site.

Bass Pro Shop  
Daphne, AL
